

B3ZRM(S) PUMPKIN — Pump less Volute

When the need to replace a complete water truck pump is not warranted, the **B3Z PUMPKIN** is the answer.

The **B3Z PUMPKIN** includes the entire pump with a cast iron impeller - less the volute or casing. A gasket or o-ring is provided to seal between the pumpkin and volute.

(Available for B3ZRM(S) Standard Frame and select Heavy-Duty frames.)

ADVANTAGES:

- Reduced replacement cost for the end user.
- Reduced inventory cost.
